

DATA SHEET

Bamboo powder - Bamboe poeder

Part Number: 21207 - BEK001

INCI name:	Bambusa Arundinacea Stem Extract
Synonyms:	Thorny giant bamboo, Indian Thorny Bamboo
Country of Origin:	India (Bamboo)/ France (process)
CAS Number:	91771-32-3
EC Number:	294-922-2
Status:	100% Pure & Natural

General Description

Bambusa arundinacea are members of the Graminae (Poaceae) family. Bamboos differ from the other members of the grass family by the presence of branches at each node. A bamboo culm consists of an internode (which is hollow for most bamboo) and a node, which is solid and provides structural integrity for the plant.

Bamusa arundinacea reaches a height of 30 m, when fully grown, the main stems (culms) which are 15-18 cm long, are round, a few mm to > 30 cm in diameter and smooth and bear a profusion of very leafy branches.

Extraction

Bambusa Arundinacea Stem Extract is an extract of the stems of the Bamboo, Bambusa arundinacea, Poaceae.

Common Uses/Applications

- Decorative/ exfoliating component in cosmetic products.
- Herbal remedies.

Aromatherapy Actions/Uses

- Considered to have the following properties: Natural exfoliant, anti-inflammatory, antiulcer, anti-diabetic, anti-oxidant, anthelmintic, astringent, emmengogue.

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
