

DATA SHEET

Calendula oil / Marigold oil Calendula olie / Goudsbloemolie

Part Number: 30487 - OBW029

INCI name:	See separate INCI banding
Synonyms:	n/a
Country of Origin:	UK
CAS Number:	n/a
EC Number:	n/a
Status:	100% Natural

General Description

Calendula officinalis is a short-lived aromatic herbaceous perennial, growing to 80 cm tall, with sparsely branched lax or erect stems. The leaves are oblong-lanceolate, 5–17 cm long, hairy on both sides, and with margins entire or occasionally waved or weakly toothed. The flower heads range from pastel yellow to deep orange, and are 3–7 cm across, with both ray florets and disc florets.

Calendula Oil Infused is the oil extract obtained from the dried flower heads of Calendula, Calendula officinalis L., Compositae by infusion in Sunflower Oil (Helianthus Annuus Seed Oil) with added Tocopherol.

Common Uses/Applications

- Carrier oil used in aromatherapy applications.
- Component used in cosmetic products.

Allergens and IFRA

Contains none of the 26 allergens designated by the EU in European Union Cosmetics Regulation (EC) No 1223/2009 Annex III. Does not contain material restricted/prohibited by IFRA and therefore does not require an IFRA statement.

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
