Product Status	Pure & Natural.
Origin	SoapQueen can confirm that Essential oils - Cypress origin is France.
CAS Number	84696-07-1
EINCS Number	283-626-9
Customs Tariff Code	3301 2941
UN Number	1169
The Oil Factor	A great holiday location & a great oil! SoapQueen presents Essential oils - Cypress. The needles & twigs of the Cypress tree are harvested & then steam distilled to deliver a smoky, balsamic like odour. Very popular in personal care for its ability to fragrance male toiletries, we like blending it with Cedarwood Oil to give you a strong masculine scent. Cypress is also known to breakdown oily skin, its true; oil breaks down oil on the skin. You can also use it in insect repellents, add something citrusy like Lemon oil & you have yourself a belter of a insect repellent.
Functionality	A smoky, balsamic like aroma. Known to successfully breakdown oily skin. The right oil can reduce oily skin. Blends well with other woody type essential oils. Popular as an ingredient in insect repellants.
