The Oil Factor	SoapQueen presents Peach Kernel oil. Our Peach Kernel offers numerous raw benefits due to the sensitive nature in which it was produced via expeller pressing & light refining. This oil is perfectly suited for those that want a cost effective carrier oil with straight to the point benefits. Traditionally used in face masks & face creams due to its ability to soften the skin & absorb easily.
Functionality	An excellent emollient & easily absorbed into the skin. A cost effective formulation carrier oil. Calms & protects against skin irritation. Aids in relieving skin & scalp irritation, both inflammation & itching. A popular lubricating oil, commonly used in massage for this very reason. A reduced oil-like aroma so it carries most essential oils effectively. We even use the Peach stones (by-product) as a natural exfoliator. Why not combine the two?
