

DATA SHEET

Green Coffee oil - unrefined - Groene Koffie olie - ongeraffineerd

Part Number: 34020 - OBW063

INCI name:	Coffea Arabica Seed Oil
Synonyms:	Coffea Arabica (Coffee) Seed Oil, Coffea Arabica Oil, Coffee Bean Oil, Coffee Oil, Coffee Seed Oil, Coffea Arabica Seed Oil, Arabian Coffee Seed Oil.
Country of Origin:	Brazil
CAS Number:	84650-00-0/ 8001-67-0
EC Number:	283-481-1/ -
Status:	100% Pure & Natural

General Description

Wild plants grow between 9 and 12 m tall, and have an open branching system; the leaves are opposite, simple ellipticovate to oblong, 6–12 cm long and 4–8 cm broad, glossy dark green. The flowers are white, 10–15 mm in diameter and grow in axillary clusters. The seeds are contained in a drupe 10–15 mm in diameter, maturing bright red to purple and typically contains two seeds. These seeds are covered in two membranes; the outer one is called the "parchment coat" and the inner one is called the "silver skin".

Extraction

Coffea Arabica Seed Oil is the oil obtained from the beans of the Coffeepiant, *Coffea arabica* L., Rubiaceae.

Common Uses/Applications

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
