

DATA SHEET

Hemp seed oil - unrefined / filtered - Hennepzaad olie - ongeraffineerd / gefilterd

Part Number: 31114 - OBW035

INCI name:	Cannabis sativa Seed Oil
Synonyms:	Hemp Oil; Hemp Seed Oil; Cannabis Sativa Oil
Country of Origin:	New Zealand, Canada, China, EU
CAS Number:	89958-21-4
EC Number:	289-644-3
Status:	100% Pure & Natural

General Description

Hemp is an annual herbaceous plant belonging to the Cannabaceae family. Growing up to 5 metres high, the plant is monoecious.

Extraction

Cannabis sativa Seed Oil is the fixed oil obtained by cold pressing the seeds of Cannabis sativa, followed by filtration.

Common Uses/Applications

- Carrier oil used in aromatherapy applications.
- Component used in cosmetic products.

Aromatherapy Actions/Uses

- Considered to have the following properties: anti-oxidant, anti-inflammatory, analgesic, antispasmodic, aphrodisiac, emmenagogue, nervine and sedative (mild).
- Regarded to be helpful for: immune stimulation, wrinkles, acne, eczema, psoriasis, osteoporosis, menopausal symptoms, rheumatoid arthritis, PMS, high cholesterol, high blood pressure, weight loss, poor circulation, dry skin, irregular hormone levels, low energy levels, low metabolism and dry skin and hair.

Allergens and IFRA

Contains none of the 26 allergens designated by the EU in European Union Cosmetics Regulation (EC) No 1223/2009 Annex III. Does not contain material restricted/prohibited by IFRA and therefore does not require an IFRA statement.

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
