

MATERIAL SPECIFICATION

White Kaolin Clay - Farmaceutical / Food Grade - Kaolin Klei (licht) - Farmaceutisch / Food Grade

Part Number: 60214 - OGR06

Analysis Description	Minimum Value	Maximum Value	Description
Appearance			Powder
Colour			White to Off White
Odour			Almost Odourless
Identification A			Complies with monograph
Identification B			Complies with monograph
Identification C			Complies with monograph
Loss on drying (%)	0.0	1.5	
Loss on ignition %	0.0	15.0	
Soluble matter mg	0	10	
Coarse particles mg	0	25	
Fine particles %	70		
Chloride (ppm)	0	330	
Arsenic (As) ppm	0	2	

Document Date: 27/04/19

Shelf Life: 24 Months,

Revision: 1

Revision Date: 27/10/2017

Shelf life of this product depends very much on storage conditions, particularly temperature and exposure to light and air. Shelf life must be considered as subjective; the shelf life given here is based on the best of our knowledge and experience of the material when stored under recommended conditions, see SDS, in original unopened containers. Due to the natural ingredients contained in many of our products, there may be a slight batch to batch variation in the colour, odour or consistency. However, we ensure that this does not affect the quality and efficacy of the products in any way.
