% through 250 micron sieve	99.99		
% through 75 micron sieve	95		

Document Date: 04/05/19

Shelf Life: 36 Months,

Revision: 2

Revision Date: 16/09/15

Shelf life of this product depends very much on storage conditions, particularly temperature and exposure to light and air. Shelf life must be considered as subjective; the shelf life given here is based on the best of our knowledge and experience of the material when stored under recommended conditions, see SDS, in original unopened containers. Due to the natural ingredients contained in many of our products, there may be a slight batch to batch variation in the colour, odour or consistency. However, we ensure that this does not affect the quality and efficacy of the products in any way.
