

## DATA SHEET

Sodium Hydroxide - micro pearls - cosmetic - Natrium Hydroxide - micro parels - cosmetisch

**Part Number: 70148 - OGR02**

**INCI name:** Sodium Hydroxide  
**Synonyms:** Caustic soda, Lye  
**Country of Origin:** Taiwan  
**CAS Number:** 1310-73-2  
**EC Number:** 215-185-5  
**Status:** Synthetic

### **General Description**

Sodium hydroxide is an inorganic compound with formula NaOH. It is a white solid ionic compound consisting of sodium cations and hydroxide anions. It is a highly caustic base, is highly soluble in water and readily absorbs moisture and carbon dioxide from the air.

### **Common Uses/Applications**

- Soap manufacture
- Paper manufacture
- pH regulation

### **Animal Non-Testing Declaration**

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

### **Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)**

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

### **Statement on Genetically Modified Organisms**

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

**The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.**
